

GENERAL STATEMENT OF HEALTH & SAFETY POLICIES

Earthcraft Ltd is a professional and safety conscious organization which values the effective management of health, safety and welfare throughout all stages of a project.

The clear objective is to minimize harm to persons and property by adopting a proactive Approach to effective risk and safety management. All work will be carried out in accordance with the best practice, to the relevant statutory provisions with all reasonably practicable measures being taken to avoid risk to employees or others that may be affected,

Management and supervisory staff have the responsibility for implementing the policy throughout the company and must ensure that health and safety considerations are always given priority in planning and day-to-day supervision of all work.

Earthcraft Ltd will fully comply with the duties placed upon it within the requirements of Statutory Legislation, whilst at all times comply with, as a matter of best practice, the requirements and duties set out within Approved Codes of Practice and Guidance as issued by the Health and Safety Executive.

All employees and sub-contractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management on any health, safety or environment related matter.

Earthcraft Ltd will take all practical steps to ensure that potential hazards and risks are identified and that suitable and effective preventative and control measures are implemented. The correct safety equipment and personal protective equipment will be provided to all employees. Furthermore the necessary financial resources will be made available by the company in order for Earthcraft Ltd to comply with its statutory duties and requirements of this policy.

All employees will be provide with the necessary instruction and training in safe methods of work, and the safe efficient operation of maintenance of tools and equipment.

The Directors have overall responsibility for all Health, Safety, Welfare and Environmental matters. The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the company's activities.
